

1. Open the tool by the lid marked "OPEN HERE".
(picture 1)

2. Select the tool you want to use: Hoofpick, Cleaner or Wrench. Fold the selected tool forward. (picture 2)

3. Lock the selected tool by folding the lid back.
(picture 3)

4. To use the tread tap, open the lid marked "OPEN HERE". (picture 1)

5. Press the other lid away, (picture 4) and fold the tread tap through the tool.
(picture 5)

6. Fold the lids toward the tread tap so the "half moons" meet the tread tap (picture 6) and you will have a T-shaped grip. (picture 7)
